ABOUT ME

Master's student in Philosophy and Computer Science at the University of Bayreuth with experience in software development, data preprocessing and machine learning model evaluation. Developed backend services using Python and contributed to an AI-powered application using React and FastAPI. Co-authored published research on decision-tree-based disease prediction. Interested in applying these skills to computer vision platforms and developing expertise in Edge AI deployment and performance testing.

WORK EXPERIENCE

Junior Software Developer, *Pavithra Consultancy Services Pvt Ltd* Mar 2024 – Apr 2025
Tenkasi, India

- Built backend services and databases for data-driven applications.
- Used Python to process and analyse data.
- Worked with clients to understand requirements and develop solutions.

EDUCATION

Master of Science in Philosophy and Computer Science
University of Bayreuth | 2025 – Present

Bachelor of Technology in Information Technology
Sri Krishna College of Technology | 2020 – 2024

Skills

Python · Java · SQL · FastAPI · REST APIs · Data Preprocessing · Machine Learning Model Evaluation · Git · React · JavaScript · TypeScript · LLM API Integration

PROJECTS

Bone Disease Prediction — Java, C4.5, LASI Dataset July 2023 – Feb 2024

- Collaborated on a Java based C4.5 decision tree model for bone disease prediction using LASI data.
- Performed data preprocessing, feature evaluation and model performance analysis.
- Co-authored a research paper published in AIP Conference Proceedings following ICIRIAC 2024 (DOI: 10.1063/5.0247680).

AI-Powered Smart Study Calendar — React, FastAPI, Python, Claude API Mar 2026 – Jul 2026

- Co-developed a web application that creates personalized study schedules.
- Built React components and worked on FastAPI backend endpoints and the connection to AI services.
- Integrated the Claude API and helped test scheduling and feedback features.

CERTIFICATIONS

- Cybersecurity Essentials - Cisco Network Academy
- Introduction to Cloud Computing - Edx

LANGUAGE SKILLS

- English (C1) | German (B1.1)
- Tamil(Native)
